ALL-COUNTY LETTER NO. 74-144

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: FOOD STAMP PROGRAM: WORK REGISTRATION

REFERENCE: 63-302.5

Certain areas within the Food Stamp Manual work registration procedure require clarification.

Eligibility workers accepting FNS-284's must review these forms to assure that all items are completed. The workers shall make no certification of eligibility for participation until these forms are complete for all household members who are required to register for work.

Program applicants/recipients are responsible to notify certification offices of any change in household situation which would require registration of any member. An example of such a change would be the attainment of age 18 by a member.

Please direct any questions to Richard J. Havnen, Chief, Food Stamp Management Bureau, at (916) 445-6907.

Sincerely,

Handwritten signature of Dennis O. Flatt.
